**Re: Information Request IR0125-B: Last Post Fund**

Dear Mr. Fréchette:

Further to your follow-up request of September 27, 2013, the Department has prepared a frequency distribution of historical benefits paid to fund beneficiaries over the last five fiscal years in increments of \$1,000 up to \$10,000 and a final grouping of those over \$10,000. This information is attached as Annex A.

I trust that this information satisfactorily responds to your request.

Sincerely,

Mary Chaput
